

Encouragement & Updates from The Haven ♥

This season at The Haven has been marked by amazing growth. Our team is growing, and so are the needs of the families we serve. We're pouring into our community through our programs while preparing for upcoming events and campaigns – and **all of this is possible because of you.**

Thank you for supporting The Haven through volunteering, prayer, donations, and so many other acts of generosity. Our team is incredibly grateful for each of you.

In This Update:

- A story of God's provision
- Growing our online community
- Upcoming events
- Ways you can support The Haven

One recent moment reminded us just how faithfully God provides through this community...

A client came to The Haven in urgent need of a very specific diaper size for her child. Unfortunately, several of our orders had been delayed or canceled, and we had completely run out of that size. We knew the family needed them **that day**, but at the time, we had **none** available.

That same afternoon, a local donor unexpectedly stopped by with a donation containing the **exact** diaper size we needed. Not long after, the delayed diaper orders finally arrived — and later that day, even more of that same hard-to-find diaper size was donated.

What began as a moment of concern quickly became a powerful reminder of God's provision and the generosity of this community.

At The Haven, practical items like diapers, wipes, formula, and clothing make a direct impact on the families we serve every day. We are **incredibly grateful** for every person who helps ensure parents and children receive the care and support they need.

Growing Our Online Community

As The Haven grows, so does our online presence! Our new Donor Relations Coordinator, **Stephanie**, alongside our amazing volunteer **Jolene**, are helping lead our Facebook and Instagram pages.

On that note, you may have noticed our new Facebook page, **Friends of The Haven**. This page is a place for stories of impact, opportunities to get involved, event updates, and ways to support our mission. Our Instagram and Facebook pages, **@TheHaven**, will remain focused on client outreach, community resources, and sharing how we can serve women and families in Northern Michigan. You can follow along by finding us at **@FriendsofTheHaven**.

Care That Extends Beyond Pregnancy

AUGUST 6, 2026

This impactful evening will celebrate families, community and compassionate care that continues long after pregnancy.

You won't want to miss it!

Get Involved: How to Support The Haven

There are so many ways to support The Haven's mission:

- **Pray** for us — for our staff, volunteers, clients, programs, and upcoming events.
- **Donate** — financial gifts and needed items directly support the families we serve. Most needed items are diapers sizes 4, 5, 6, & 7, pull ups (any size) and sensitive baby wipes. Preferred brands are Pampers/Huggies for all items :)
- **Volunteer** — your time and talents make a lasting impact on our ministry and community.

That's all for now!
